# SPRING

## Collection

Spring always signifies the promise of something new. Nature is slowly reawakening and showing us the most beautiful colours. It's a world we step out into more often. It's a season in which the possibilities seem endless. We look forward to new adventures, and new clothes in which we feel nothing can stop us. Time for a good pair of trousers that make you feel and look great. Or go even bolder and pick out one of the many suits. Sleek lines or supple fabrics – you decide the way to go.

We even dream of travelling to faraway places. To Morocco, for example, where all the new discoveries result in light summer looks such as elegant maxi dresses accentuated at the waist and sleeveless tops with ruffles at the sides. Colours and new adventures are united in the many prints, starting from a classic dot and ending with inspiring ikats. Spring and flowers are inseparable, and so the first signs of the new season appear in designs and even in embroidery on the denims.

Join us on a voyage of discovery through our new collection. This is the season to look ahead and be inspired by a combination of new lines and summery fabrics. But, most importantly: be inspired by the fashion that women really want to wear.

Happy New Season!

*The buying period takes place from the 12<sup>th</sup> of July  
up to and including the 5<sup>th</sup> of September.*

## N.O.O.S.

---

With the launch of the Spring 2023 collection, we will also introduce a NOOS collection. NOOS is a collection of our essential styles and colours and will be always available.

We will offer ten well-known styles through the launch and initial delivery in January.

Our classic suit will be available in black and ivory. The Punto Milano trousers, in both classic and boot cut fits, will also be supplied in black and ivory. Two basic tops - the crossband top and the silky satin top - will be part of the NOOS collection as well. The turtleneck and puffy sleeve basic knit pullover will be the essential knits, also available in black and ivory. And, last but not least, two pairs of jeans: the iconic flared jeans in dark and light washes and the Nova skinny jeans in three washes. These will all be introduced as Never Out Of Stock styles.

We continuously work to develop the collection, stay up-to-date with market demands and supply the strongest selection of the absolute essentials.

This collection is all about supplying the highest-quality contemporary styles both quickly and reliably.

We've got you covered!
